11 v.

12 SCIENTIFIC GAMES CORP., a Nevada

14 *Defendant.*

No. 18-cv-565-RSL

**STIPULATION AND ORDER RE
AGREED RIDER TO PROTECTIVE
ORDER REGARDING THE USE AND
DISCLOSURE OF DISCOVERY
PRODUCED BY NONPARTY META
PLATFORMS, INC.**

1 This agreement is entered into between and among nonparty Meta Platforms, Inc.
 2 (“Facebook”) and the parties to the action captioned above, specifically: Donna Reed (“Plaintiff”),
 3 the named plaintiff in *Reed v. Scientific Games Corp.* No. 18-cv-565-RSL, (the “Action”), and
 4 defendant Scientific Games Corp. (“Defendant” and collectively with Plaintiff, the “Parties”). The
 5 Parties and Facebook anticipate that Facebook will produce documents in this action that contain
 6 sensitive information that is necessary to provide notice of the Class Action Settlement Agreement
 7 to members of the Settlement Class because Defendant does not possess this information. This
 8 agreement is intended to supplement the protective order entered by the Court on March 8,
 9 2019 (ECF No. 43) (“Protective Order”).

10 Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the Court finds good
 11 cause for the following Agreed Rider To Protective Order Regarding The Use And Disclosure
 12 Of Discovery Produced By Nonparty Meta Platforms, Inc. (“Rider”).

13 **PURPOSES AND LIMITATIONS**

14 Facebook Protected Material designated under the terms of this Rider shall be used by the
 15 Parties solely for the purpose of providing notice to and verifying and paying the recovery amount
 16 owed to each member of the Settlement Class. Facebook Protected Material shall not be used
 17 directly or indirectly for any other purpose whatsoever.

18 No Facebook Protected Material provided by Facebook to the Class Action Administrator
 19 under the terms of this Rider may be shared with any of the Parties, unless specifically authorized
 20 by this Rider.

21 It is the intention of Facebook and the Parties that this Rider will protect all materials
 22 produced by Facebook in the Action unless otherwise specified.

23 **DEFINITIONS**

24 “Class Action Administrator” means JND Legal Administration, acting as class
 25 action administrator to effect the Class Action Settlement Agreement entered.

26 “Class Action Settlement Agreement” means the document filed at ECF No. 164-1
 27 in the Action.

1 “Outside Counsel” means (i) outside counsel who appear on the pleadings as
2 counsel for a Party and (ii) partners, associates, and staff of such counsel to whom it is reasonably
3 necessary to disclose the information for this litigation.

4 “Facebook Protected Material” means any discovery produced by Facebook in the
5 Actions.

6 “Settlement Class” has the meaning provided in the Class Action Settlement
7 Agreement.

8 **COMPUTATION OF TIME**

9 The computation of any period of time prescribed or allowed by this Order shall
10 be governed by the provisions for computing time set forth in Federal Rules of Civil
11 Procedure 6.

12 **SCOPE**

13 The protections conferred by this Rider cover not only the Facebook Protected
14 Material governed by this Rider as addressed herein, but also any information copied or extracted
15 therefrom, as well as all copies, excerpts, summaries, or compilations thereof, plus testimony,
16 conversations, or presentations by the Parties or their counsel in court or in other settings that
17 might reveal Facebook Protected Material.

18 Nothing in this Rider shall prevent or restrict Facebook’s own disclosure or use of
19 its own Facebook Protected Material for any purpose, and nothing in this Rider shall preclude
20 Facebook from showing its Facebook Protected Material to an individual who prepared the
21 Facebook Protected Material.

22 **DURATION**

23 Even after the termination of this case, the confidentiality obligations imposed by
24 this Order shall remain in effect until a Producing Party agrees otherwise in writing or a court order
25 otherwise directs, subject to the Final Disposition clause herein.

27

ACCESS TO FACEBOOK PROTECTED MATERIAL

Basic Principles. All Facebook Protected Material shall be used solely for the purpose of providing notice to and verifying and paying the recovery amount owed to members of the Settlement Class, and not for any other purpose whatsoever, including without limitation any other litigation, patent prosecution or acquisition, patent reexamination or reissue proceedings, or any business or competitive purpose or function. Facebook Protected Material shall not be provided, distributed, disclosed, or made available to anyone except as expressly provided in this Rider.

Secure Storage, No Export. Facebook Protected Material must be stored and maintained by a Receiving Party at a location in the United States and in a secure manner that ensures that access is limited to the persons authorized under this Rider. To ensure compliance with applicable United States Export Administration Regulations, Facebook Protected Material may not be exported outside the United States or released to any foreign national (even if within the United States).

Legal Advice Based on Facebook Protected Material. Nothing in this Rider shall be construed to prevent counsel from advising their clients with respect to this case based in whole or in part upon Facebook Protected Materials, provided counsel does not disclose the Facebook Protected Material itself except as provided in this Rider.

Limitations. Nothing in this Rider shall restrict in any way Facebook's use or disclosure of its own Facebook Protected Material.

Designation. For the avoidance of doubt, in all circumstances not specifically addressed by this Rider, all Facebook Protected Material shall be treated as if designated "CONFIDENTIAL" under the Protective Order regardless of whether the Facebook Protected Material has been stamped or marked in accordance with that Order.

USE OF PROTECTED MATERIAL

1 It is Facebook's and the Parties' intention that Facebook will produce Facebook
2 Protected Materials directly to the Class Action Administrator, with no production to any of the
3 Parties.

4 Unless otherwise ordered by the Court or authorized through the prior written
5 consent of Facebook, the Class Action Administrator may disclose Facebook Protected Materials
6 only to those members of the Class Action Administrator's staff, or to any copying, clerical or
7 other support services working at the direction of the Class Action Administrator, to whom
8 disclosure is reasonably necessary in order to provide notice to and/or to verify and pay the
9 recovery amount owed to members of the Settlement Class, provided that each such person to
10 whom disclosure is made must first agree to be bound by the provisions of this Rider by signing
11 a copy of Exhibit A.

12 Nothing in the foregoing paragraph is intended to restrict the Class Action
13 Administrator from disclosing to a member of the Settlement Class any Facebook Protected
14 Material that specifically relates to that individual.

15 Certain Members of the Settlement Class: Thirty days prior to the claims deadline,
16 and subject to Facebook's prior written consent (such consent not to be unreasonably withheld),
17 the Class Action Administrator shall furnish to Counsel for Plaintiff the contact information for
18 and Lifetime Spending Amount associated with each Settlement Class Member who (1) has a
19 Lifetime Spending Amount of greater than or equal to \$25,000, and (2) has not yet filed a claim.

20 For the avoidance of doubt, no Settlement Class Member contact information or
21 Lifetime Spending Amounts shall be provided to counsel for Plaintiff unless counsel for Plaintiff
22 have been appointed by the Court as Class Counsel.

23 Any contact information disclosed to counsel for Plaintiff pursuant to this section
24 shall be used solely for the purpose of providing notice of the Class Action Settlement Agreement
25 to members of the Settlement Class, and counsel for Plaintiff shall disclose Contact Information
26 only to counsel's staff, or to any copying, clerical or other support services working at the direction
27 of counsel for Plaintiff, to whom disclosure is reasonably necessary to provide notice to the

1 member. All Contact Information relating to a member of the Settlement Class shall be destroyed
 2 by counsel for Plaintiff upon confirmation that the member has received actual notice of the Class
 3 Action Settlement.

4 **CHALLENGING DESIGNATIONS OF PROTECTED MATERIAL**

5 This Rider is intended to provide no mechanism to the Parties through which they
 6 can challenge the designation or protected status of Facebook Protected Materials.

7 **SUBPOENAS OR COURT ORDERS**

8 If at any time Facebook Protected Material is subpoenaed by any court, arbitral,
 9 administrative, or legislative body, the party to whom the subpoena or other request is directed
 10 shall immediately give prompt written notice thereof to Facebook and to its counsel and shall
 11 provide Facebook with an opportunity to move for a protective order regarding the production of
 12 Facebook Protected Materials implicated by the subpoena.

13 **FILING PROTECTED MATERIAL**

14 Absent written permission from Facebook or a court Order secured after
 15 appropriate notice to all interested persons, the Parties may not file or disclose in the public record
 16 any Facebook Protected Material.

17 **INADVERTENT DISCLOSURE NOT AUTHORIZED BY ORDER**

18 In the event of a disclosure of any Facebook Protected Material pursuant to this
 19 Rider to any person or persons not authorized to receive such disclosure under this Rider, or in any
 20 circumstance not authorized under this Rider, the party responsible for having made such
 21 disclosure, and each party with knowledge thereof, must immediately notify counsel for Facebook
 22 (a) in writing, (b) use its best efforts to retrieve all unauthorized copies of the Protected Material,
 23 (c) inform the person or persons to whom unauthorized disclosures were made of all the terms of
 24 this Order, and (d) request such person or persons execute the "Acknowledgment and Agreement
 25 to Be Bound" that is attached hereto as Exhibit A.

26 Unauthorized or inadvertent disclosure does not change the status of Facebook
 27 Protected Material or waive the right to hold the disclosed document or information as Protected.

1 **FINAL DISPOSITION**

2 Not later than ninety (90) days after closure of the Final Disposition of this case,
 3 each Party and the Class Action Administrator shall return all Discovery Material of a Producing
 4 Party to the respective outside counsel of the Producing Party or destroy such Material, at the
 5 option of Facebook. For purposes of this Order, “Final Disposition” occurs after an order, mandate,
 6 or dismissal finally terminating the above-captioned action with prejudice, including all appeals.

7 All parties that have received any such Discovery Material, as well as the Class
 8 Action Administrator, shall certify in writing that all such materials have been returned to counsel
 9 for Facebook or destroyed.

10 **MISCELLANEOUS**

11 Termination of Matter and Retention of Jurisdiction. The Parties and Facebook
 12 agree that the terms of this Rider shall survive and remain in effect after the Final Determination
 13 of the Actions. The Court shall retain jurisdiction after Final Determination of the matter to hear
 14 and resolve any disputes arising out of this Rider.

15 Successors. This Rider shall be binding upon Facebook and the Parties hereto, their
 16 attorneys, and their successors, executors, personal representatives, administrators, heirs, legal
 17 representatives, assigns, subsidiaries, divisions, employees, agents, retained consultants and
 18 experts, and any persons or organizations over which they have direct control.

19 Discovery Rules Remain Unchanged. Nothing herein shall alter or change in any
 20 way the discovery provisions of the Federal Rules of Civil Procedure, the Local Rules for the
 21 United States District Court for the Western District of Washington, or the Court’s own orders.
 22 Identification of any individual pursuant to this Rider does not make that individual available for
 23 deposition or any other form of discovery outside of the restrictions and procedures of the Federal
 24 Rules of Civil Procedure, the Local Rules for the United States District Court for Western District
 25 of Washington, or the Court’s own orders.
